### CONFORMATION

Gulliver is very attractive homozygous polled bull from czech Petr Novák's herd. He excels in harmonical exterior and great expression. His father is popular french insemination bull Liban PP. His mother is one of the best cows in herd and her father is Vizir. In her pedigree we can find excellent Damon, who excelled mainly in daughters quality. Gulliver is recommended for cows of elevage type. From his calves we expect great musculature, body capacity and outstanding quality of feet and legs, in which excels his father Liban.
